EASA Repair Station 145.4603

OVERHAUL and REPAIR SERVICES WARRANTY

Kansas Aviation of Independence represents and warrants that its overhaul and repair services shall be free from defect in workmanship under normal operating conditions for twenty four (24) months or 1,000 flight hours, whichever comes first. This excludes electrical components which shall be warrantied for (12) months or 1,000 flight hours; all other listed terms and conditions apply. However, Kansas Aviation of Independence does not warrant its workmanship against damage or loss caused by negligence, misuse, modification or misapplication of any part or engine. The Kansas Aviation of Independence liability for breach of its warranty hereunder is limited to the repair or replacement of defective parts and the customer expressly waives any right it might have to special or consequential damages.

THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES OF KANSAS AVIATION of INDEPENDENCE WHETHER EXPRESSED OR IMPLIED, NOR ARE THERE ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

The responsibility of Kansas Aviation of Independence under this warranty is further limited by the following conditions:

- A. Defects must be discovered before the twenty four (24) months or 1,000 flight hours has expired and Kansas Aviation of Independence is given prompt notification in **writing** at the time such defects are discovered.
- B. The engine has been maintained and operated in accordance with the original manufacturer's manuals or other approved written instructions and the engine or component parts have not been repaired or altered outside of Kansas Aviation of Independence's facility in any way which may impair its safety, operation, or efficiency and have not been subjected to misuse, neglect, accident or damage by the elements-
- C. The component parts are returned to Kansas Aviation of Independence's facility, **freight prepaid**, after notice of failure has been given to Kansas Aviation of Independence and Kansas Aviation of Independence is afforded the opportunity of performing corrective work at its facility at Independence, Kansas (unless such work is otherwise authorized in writing by Kansas Aviation of Independence).
- D. Any parts that are supplied by the customer for use in a unit are not covered by any portion of this warranty. If a failure occurs that is found to be caused by a customer furnished part, warranty consideration will be denied and normal repair charges will be applied.

KANSAS AVIATION of INDEPENDENCE DOES NOT WARRANTY PARTS AND/OR MATERIALS BUT WILL ASSIST ITS CUSTOMERS IN PROCESSING OF CLAIMS OR ADJUSTMENTS ARISING OUT OF DEFECTS IN PARTS OR MATERIALS WHICH ARE COVERED BY MANUFACTURER'S WARRANTIES.

THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF June 25, 2014
